resources for teachers are the most efficient, effective ways to bring education to displaced children, equipping them with the skills they need for life outside the camps. This year has been especially challenging to deliver education to refugee children because of the pandemic. Their programs have retooled to provide remote learning when schools are shut down, and they are providing food relief to students' families to help them get through the pandemic. In the year ahead, the needs will continue to be great for basic school services and meals for children and families. You can learn more about this ministry at <http://tentschoolsint.org/>. The offering for TSI will be October 24th.

Message from The Dyk's: "Thank you to everyone who helped out to make our arrival in Stephenville an easy one. You cleaned and prepped the parsonage, brought in food, housewarming gifts, and offered words of encouragement. We are humbled and overwhelmed with gratitude. Thank you! Pastor Greg & Kay."
