## News/Reminders:

**Monthly Capital Campaign** – The October capital campaign is for Tent Schools International. “TSI” comes alongside Christian leaders in refugee camps and other transitional areas to establish educational opportunities for children fleeing war, persecution, and natural disaster. Non-governmental

organizations (NGOs) supply food, water, and basic shelter, but most children seeking refuge do not have the opportunity to attend school. Temporary learning structures, technology, and resources for teachers are the most efficient, effective ways to bring education to displaced children, equipping them with the skills they need for life outside the camps. This year has been especially challenging to deliver education to refugee children because of the pandemic. Their programs have retooled to provide remote learning when schools are shut down, and they are providing food relief to students' families to help them get through the pandemic. In the year ahead, the needs will continue to be great for basic school services and meals for children and families. You can learn more about this ministry at <http://tentschoolsint.org/>. This morning we will show a video from TSI and the offering will be next Sunday.

**Elder/Deacon Nominations** – It is time to nominate potential elders/deacons for the coming year. Please submit your nominations to any current council members or you can email [stephenvillecrc@gmail.com](mailto:stephenvillecrc@gmail.com). The nominations will be discussed at the next council meeting so please submit them by Sunday, October 31<sup>st</sup>.
