organizations by providing essential items for people fleeing for safety to neighboring countries. In Slovakia, they are providing temporary shelters, emergency food, and emergency non-food items such as blankets, linens, mattresses, and basic hygiene items. In Romania and Poland, they are responding with health support by supplying health packs that will be used by local health centers. World Renew continues to support their networks as they answer God’s call to extend love and hope to the many people left vulnerable by this conflict. We will take our offering in support of this ministry on Sunday, May 22nd.
