

Hurts and focusing on how to help the poor in wise ways. Sara works in churches and communities to help farmers better care for their land, produce more food, save money, and connect the Christian faith to everyday life through Bible study and skills training. She facilitates farmer study groups on agriculture, caring for creation, and nutrition. She also teaches fuel-efficient and nutritious ways of cooking and occasionally does art classes for children. We will take the offering for the Sytsma's on Sunday, September 28<sup>th</sup>.

**From the Worship Committee** – The worship committee continues to look for more people who would be willing to use their gifts to be involved in the morning worship services. Whether that is by leading a worship song, playing a song for the offertory, scripture readings, leading the call to worship,/or offering a prayer, we would love more involvement from the congregation. We are also in need of people to play the piano for our morning worship service. If you can help or know of anyone in your circle, even on a temporary or rotating basis, please have them call Roeland Stoker. Your willingness to serve is greatly needed and deeply appreciated.

**Monthly Celebration of Communion** – Our monthly celebration of communion will be changed up this month to today. We will continue our regular celebration of the month on the 4<sup>th</sup> week, in October. As a reminder, the outer rings are wine while the inner rings are grape juice.

**Church Potluck** – You are invited to join us following morning worship for a potluck as we say goodbye to the Dyk family who have taken a call to New Holland CRC in South Dakota.

He also teaches leaders around Africa through a curriculum he helped to write called "Helping Without Hurting in Africa", based on the book When Helping
