*News/Reminders:

Monthly Capital Campaign – The December capital campaign is for Open Door Ministries. Open Doors originated in 1955, when a young Dutchman started smuggling Bibles to the persecuted Christians in Communist Europe. He became known as Brother Andrew, and his work led to more than six decades of support for the persecuted church. Open Doors purpose is to strengthen and equip Christians around the world who are facing persecution and discrimination because of their faith in Jesus Christ and to encourage their involvement in world evangelism by: providing Bibles and literature, media, leadership training, socio-economic development, and through intercessory prayer; Preparing the body of Christ living in threatened or unstable areas to face persecution and suffering; Educating and mobilizing the body of Christ living in the free world to identify with threatened and persecuted Christians and be actively involved in assisting them. We will take the offering to support Open Doors this AM.
