Monthly Capital Campaign – The June capital campaign is for Partners Worldwide. Partners Worldwide is a Christian response to poverty that seeks to end extreme poverty through job creation and business development in the poorest parts of the world. 80% of the poor live in rural areas, and much of the work that Partners Worldwide does is to connect very poor small-holder farmers to quality inputs, biblically based training, microloans, markets, and technology, so they can lift their families and communities out of poverty. We will take the offering in support of Partners this morning.
