them with the skills they need for life outside the camps. This year has been especially challenging to deliver education to refugee children because of the pandemic. Their programs have retooled to provide remote learning when schools are shut down, and they are providing food relief to students' families to help them get through the pandemic. In the year ahead, the needs will continue to be great for basic school services and meals for children and families. You can learn more about this ministry at <http://tentschoolsint.org/>. The offering for TSI will be October 23rd.

Family Visitation – The council has started family visitation and visits will be on Monday and Tuesday evenings. The visitation schedule has been emailed to everyone and is also posted on the bulletin board. If the scheduled time does not work or you would like to meet in church instead of your home, please contact the visiting elders. Our visit will be guided by Philippians 4:4-9. Please read this passage before the visit and pray for God's blessing and his Holy Spirit on this season of family visiting.

Elder/Deacon Nominations – It is time to nominate potential elders/deacons for the coming year. Please submit your nominations to any current council members or you can email stephenvillecrc@gmail.com. The nominations will be discussed at the next council meeting, so please submit them by Sunday, October 16th.

Temporary learning structures, technology, and resources for teachers are the most efficient, effective ways to bring education to displaced children, equipping
