

Stephenville Christian Reformed Church

Nursery Coordinator Needed – The worship committee is looking for someone to be the nursery coordinator. This person would be in charge of general oversight of the nursery, including setting up the monthly volunteer schedule, making sure volunteers show up for their day and overseeing the cleanliness of the nursery/toys. If you would like to help fill this need, please let Lynn or Desiree know.

Baked Goods Needed – We would love to have some fresh baked goods for our leaders every day for SERVE Stephenville. If there is someone that would like to bring some homemade goodies for the SERVE leaders lounge, please let Jessica Doyle know.

***Upcoming Dates to Remember:**

SERVE Stephenville – We are less than a week from the arrival of our SERVE Stephenville participants. Next Sunday, June 16th during the morning worship service, we will have a special SERVE commissioning service with all of the SERVE Stephenville participants. Following worship there will be a church potluck with chicken supplied. Please bring a hot or cold dish and dessert to share with the congregation and also the SERVE participants. Then that evening at 6pm, the congregation is invited to join the SERVE participants at Jochum and Vicki Schievink's house for worship, dinner and a pool party at 6pm. The congregation is also invited to join the SERVE participants every evening next week at 7pm for a worship service. On Thursday, the worship service will be pushed back to around 7:30-7:45 depending on when the students return from a service project in Weatherford.

SERVE 2024 – Our youth group will be attending SERVE this year in Sioux Falls South Dakota from July 20th to July 27th. We will have 6 young men attending with leader Roeland Stoker. Please keep the youth and leaders in your prayers over the next few months as they prepare for this mission trip!

*News/Reminders:

Monthly Capital Campaign – The June capital campaign is for the Brady Miller Benefit. Brady was born on March 4th and after many medical procedures, the doctors determined he had a very rare benign tumor known as a neuromuscular choristoma on his face which impacts his airway and facial bones. The doctors are still working on a plan of action for what to do about the tumor, whether it be continued targeted medications or eventual surgery. Brady has been under the care of many medical specialists including an oncologist, cardiologist, geneticist, endocrinologist, audiologist and an ENT specialist. This has created many financial setbacks for the Miller family which we hope to help them out with for our June offering. We will take our offering for them on Sunday, June 23rd.
