Monthly Capital Campaign – The October capital campaign is for World Renew Disaster Response Services. DRS lives out God's love and shares hope with disaster-impacted communities in North America by joining in the restoration of the homes and lives of the most vulnerable survivors. The offering taken on Sunday, October 27th will go directly to helping those affected by Hurricane Helene that struck the east coast at the end of September. Sixty million people in 12 states have been affected by loss of power, homes and even loss of lives. DRS is already present in Sarasota, Florida, continuing to repair homes after Hurricane Ian struck the Gulf Coast in 2022.
