

prenatal health, infant care, parenting, healthy relationships, Bible classes, and life skills. Material assistance is offered to those who take classes at Choices. Find more about this ministry at <http://choicesclinic.net/>. We will take the offering this morning as our second offering.

2025 Committees – If you'd like to become more involved here at SCRC, we would love you to join one of our 5 committees: Education, Social/Fellowship, Worship, Tech, or Building & Grounds. If you would like to know more about what each committee does, we have our 2024 committee document on the bulletin board which lists each committee's mandate and members. Please talk to the corresponding committee president if you are interested in joining that committee!

“Change for Life” Campaign – This campaign is one of many ways that we support Choices Clinic & Life Resource Center and their pro-life ministry. Choices Clinic & Life Resource Center is located in Stephenville, and it is a Christian ministry dedicated to preserving the value of human life by providing abortion alternatives, practical assistance, and education to the Cross Timbers area. Please pick up a baby bottle located on the foyer entry table and place it in a visible area and over the next 5 weeks drop in your loose change, cash or a check. On Sunday, March 2nd, please return the bottle to church. This fundraiser shows how one penny may not be much alone, but when put with many others it can accomplish many great things!

SERVE Stephenville Volunteers – We encourage everyone to take part this summer and get involved with SERVE Stephenville! An email was sent out this week with information on what committees we have. If you'd like to know more about any of the committees and how you can be involved in SERVE this summer, please reach out to the corresponding leader or to any member of the host team. If you did not receive that email, please let Desiree Stoker know so she can make sure you're on the church email list.
