**Sound System Volunteers** – We are looking for more volunteers to help run the sound system and computer during morning worship. If you are interested in helping to fill this need, please talk to Desiree Stoker.

**Sunday School Change Survey** – This month a survey was texted out to the congregation to see their thoughts on changing Sunday school next year to before church. From the responses received, there was a motion to council from the education committee to change Sunday school classes to before worship at 10 am with church starting at 10:45 am. Council discussed this and have tabled it for a month to allow more discussion. You can still fill out the survey if you'd like to add some input for the council to discuss further at the April council meeting.
