Sunday School Change Survey – This month a survey was texted out to the congregation to see their thoughts on changing Sunday school next year to before church. From the responses received, there was a motion to council from the education committee to change Sunday school classes to before worship at 10 am with church starting at 10:45 am. Council discussed this and have tabled it for a month to allow more discussion. You can still fill out the survey if you'd like to add some input for the council to discuss further at the April council meeting.
